## Yorkville Warranty Claim Details

February 2007

Yorkville Sound has two basic types of warranty. The Group A 2/10-year, unlimited warranty (10 years on wooden cabinet structure – repairs performed by Yorkville) covers the majority of items that Yorkville manufactures. **Group B** items are covered by variations on the Limited warranty theme.

### Group A Warranty Covers:

- YX, Performance, Pulse, Elite, NX & Unity Series Loudspeakers & subwoofers
- Yorkville Audiopro and Micromix Series power amplifiers and mixer/amplifiers
- Yorkville LP Series Lighting systems
- Yorkville Instrument amplifiers and speakers
- Traynor Instrument amplifiers and speakers

### Allowed

A1) All parts, except tubes & par bulbs, at dealer cost from Yorkville, i.e. packing slip prices less B. Note; cone drivers must be returned for credit - we assume horn drivers will be re-diaphragmed (no need to return old diaphragms), otherwise if replaced they too must be returned

A2) Labor at \$40.00/hr for electronic repairs where labor time is shown

A3) A flat labor rate of \$10.00 for each speaker, horn, tweeter or diaphragm replacement

A4) Yorkville pays freight one-way for items under warranty needing service

### Not Allowed

a1) Claims without complete information – i.e. model & serial no & details of the repair including problem, repair operations, parts used and time spent

a2) Parts or labor for tube or par bulb replacement

a3) Parts that are not listed on the claim (eg. "Parts - \$25.00" would be n/a)

a4) Speakers not returned with complete claim documentation – eg. model & serial no.'s

a5) "Shop supplies"

a6) Labor for fuse replacement (fuses themselves are covered)

a7) Labor without time specified (we may estimate time & credit per 2 & 3 above)

a8) Labor time which exceeds the norm for a given type of repair (we may adjust)

a9) Freight either way on all parts including speakers

a10) Repairs for cosmetic damages, weather damage, damage as a result of improper use or installation, damages as a result of exposure to extreme humidity, accident or disaster

a11) Claims for incidental or consequential damages

a12) Claims for repairs to correct malfunctions directly or indirectly resulting from modifications not specified by Yorkville

a13) Claims for repairs already performed by Yorkville under warranty

a14) Claims for units more than 2 years old per the serial number & not accompanied by a bill-of-sale copy or other document to verify new sale or first rental within the warranty period

[date code - 1st digit = last digit of the year (eg "6" = 2006), 2nd & 3rd are the month (eg. "02" = Feb)]

Cont'd...2

**Group B Warranty Covers:**

- TX Series loudspeakers, monitors and subwoofer enclosures & processors for two years
- YSM Series active and passive studio monitors for two years
- Coliseum Series Installation loudspeakers & monitors for two years
- Traynor International Series guitar and bass amplifiers for two years
- Gallien-Krueger amplifiers for one year on electronic components, 90 days on speakers
- Gibson and Epiphone guitar amplifiers and extension cabinets for two years
- Gibson, Epiphone, Dobro, Kramer & Valley Arts musical instruments for one year
- ART signal processors & EQs for three years
- ARTcessories for one year
- Apex microphones, solution boxes, and signal processing for one year
- Apex cables and connectors for ten years (non-transferable)
- Apex speaker stands, microphone stands and booms for one year
- Alto mixers, amplifiers, speakers and signal processing for one year
- Yorkville patch, microphone & speaker cables and snakes for five years (nontransferable)
- Yorkville Guitar & Bass Cases for one year
- Ritter bags & cases for one year
- Raw drivers for 90 days.
- Raw Tubes for 30 days

**Allowed**

- B1) All returned parts at dealer cost from Yorkville (packing slip prices less B) except strings  
B2) Labor at \$40.00/hr where labor time is shown  
B3) A flat labor rate of \$10.00 for each defective speaker, horn, tweeter or diaphragm replacement  
B4) Yorkville pays freight one-way for items under warranty needing service

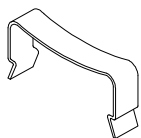

**Not Allowed**

- b1) Claims without complete information – i.e. model & serial number, bill of sale or packing slip copy & details of the repair including problem, repair operations, parts used and time spent  
b2) Claims for replacing or repairing broken parts unless they arrive broken on a new product (the Group B warranty covers mfg defects, not accidents)  
b3) Extra costs for parts other than those distributed by Yorkville  
b4) More than the normal amount of repair time (we may estimate and adjust as needed)  
b5) Claims for replacing “blown” speakers, horns or tweeters (blown = not mfg. defect)  
b6) Claims without point-of-purchase data or bill of sale for consumer-owned products  
b7) Claims for store stock without Yorkville packing slips, invoices or stocking dates  
b8) Claims for instrument “setups” including adjusting the neck, bridge or pickups, fret jobs & polishing, oiling fretboards, setting action or intonation, changing strings, cleaning & polishing.  
B9) Freight charges for parts  
b10) “Shop supplies”  
b11) Claims for repairs already performed by Yorkville under warranty  
b12) Modifications not specified by Yorkville  
b13) Parts credits where the parts were not returned or picked up by the area rep

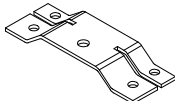

*\*\*Please note that Yorkville reserves the right to change these conditions without notice. Please consult with your local order desk for the most up-to-date warranty policy information.*

## Capacitor/Inductor Band Codes

### Axial Lead Ceramic Capacitor

Color	1st, 2nd Band	Multiplicien	Tolerance	Characteristic
Black	0	1	±20% (M)	NPO
Brown	1	10		Y5S
Red	2	100		Y5T
Orange	3	1K		N150
Yellow	4	10K		N220
Green	5			N330
Blue	6			N470
Violet	7			N750
Grey	8		±30% (N)	Y5R
White	9			SL (G.P)
Gold	-	0.1	± 5% (J)	Y5F
Silver	-	0.01	±10% (K)	Y5P

### Axial Lead Inductor
