The Heritage Motor Centre is home to the British Motor Industry Heritage Trust, which maintains the largest collection of classic, vintage and veteran British cars in the world. With 200 classic vehicles on display in the Centre's museum, the collection charts the history of the British car industry from the turn of the century to the present day.

The Centre, set in 65 acres of grounds, has activities to appeal to the whole family, from a gentle stroll through the nature reserve, to the thrill of the [Land Rover 4x4 of-f-road experience](#), and at weekends and school holidays there are [go-karts](#) for children and adults, and [electric cars](#) for children aged 3 - 7. With a licensed café and a well stocked [gift shop](#), the Heritage Motor Centre offers an entertaining and educational day for the whole family.

However, the Heritage Motor Centre is far more than a visitor attraction, and boasts:

- **[A premier conference facility.](#)**
- An award winning Education Department that runs courses throughout the year.
- One of the largest motor industry [archives](#) in the world.
- A unique venue for wedding receptions.
- [Classic car hire.](#)
- A centre for car club activities.
