Go-karts and Children's Roadway

Closing time for all outdoor activities is 3.30pm and may become earlier as the winter progresses.

4x4 Off-Road Experience

At the Heritage Motor Centre you can find out exactly why a Land Rover is the best 4x4x4! Ride as a passenger in a Land Rover Defender and be driven by the Centre's Land Rover trained off road drivers. You will be taken into terrain you would not think a vehicle could survive: And most couldn't!

The ride will last around 12 minutes, where you will experience steep inclines and descents, acute angles and, if the weather allows, deep water. One thing is guaranteed, it will be 12 minutes you will never forget.

The 4x4 Off-Road Experience runs everyday from 11am. Last ride is at 3.30pm. Ages 5 and over.

Museum visitors are offered a discounted rate of:
